Special to the Indianapolis Journal. MINNEAPOLIS, Minn., July 24.-After a long, monotonous siege, in which General Watkins and his braves fell ten times before the opposition, the warriors from the Hoosfer State came to Minneapolis to-day and finally scored a victory, and the record of eleven straight defeats held by the Millers still holds good. The first game of the series between Minneapolis and Indianapolls resulted in a score of 7 to 0, in favor of the champions.

MILLERS' HOPES GO ASTRAY. But with the ampire "butting" into the game with a rank decision, which the visftors followed up with a couple of good, hard wallops in the sixth round, Miller hopes here went glimmering. The Hoosiers were four tailies to the good when the inning ended and all willingly conceded a victory to Watkins's men.

Not satisfied with a lead of four runs the Hoosiers, in firing their parting salute, hammered out five singles in the ninth and added three more tallies to their side of the score board.

Kellum pitched brilliant ball right from the start and the shut-out was well earned. In the first inning, after two men had been red, Yeager and Smith singled and filliams was hit by a pitched ball, filling

Shamrock III Beat Her Pacemaker Easily in a Trial Race.

ATLANTIC HIGHLANDS, N. J., July 24. -Shamrock III more than squared accounts with her proemaker, Shamrock I, to-day for the beating the challenger suffered yesterday. Sailing over a twenty-nine-mile course, the cup hunter beat the old boat eight minutes and eleven seconds, running ten miles to leeward, five minutes and ten seconds, beating ten miles to windward. and seven minutes and nineteen seconds in a reach of nine miles, twenty minutes and forty seconds in all. The challenger's victory running to leeward was flawless. Beating back Shamrock I suffered a little of her loss in a calm streak, and in reaching more heavily from the same cause. Nevertheless the victory was fairly earned except that the difference between the two boats was exaggerated by the disadvantages the old boat suffered. The course was set for a forty-mile race, ten miles south by east from Sandy Hook lightship and return twice around, but after sailing around once the boats took a nine-mile turn around Scotland lightship and back instead. DRIVERS PROCTOR AND NUCKLES DID SOME QUEER DRIVING.

Last Event at Detroit Was So Suspicious that All Bets Were Declared Of-Summary of Races.

DETROIT, July 24 .- As the result of very queer driving in the 2:13 pace, the last event on to-days card at the Blue Ribbon meeting of the Detroit Driving Club at Grosse Point, Driver Al Proctor, of Aurora, Ont., who was behind Darky, was fined \$200 and suspended for thirty days, Driver Vance Nuckols, who was behind Theron Powers, was fined \$200 and all bets and poels on the race were declared off. Darky opened favorite for the race at \$17 with the field \$25. The Canadian horse won this heat with ease, finishing under a pull. For the second heat the betting changed. Joe Rhea opened at 6 to 1 and was backed off the boards. Joe Rhea trailed after Darky to the upper turn, where he came away and won by more than a length. The time was 214 seconds slower than the first heat, but Darky did not seem to have the speed that was his in the first time around.

When the horses appeared for the third heat Driver Ben Walker had superseded Proctor in Darky's sulky, but this arrangement did not suit the judges, who had al-ready decided to unseat Proctor and have Driver Jack Curry behind Darky. Curry worked Darky up and down the stretch once, the horse acting queerly, then dis-mounted and shaking his head went up for a consultation with the judges. finally came down to the track again and mounted the sulky and the horses jogged back for the start.

Joe Rhea was then ruling favorite at \$26, with the field \$20. Theron Powers, who had finished fifth in the preceding heat, which 108 (Troxler), 2 to 5, won; Sadie Burch, 108 | was won in 2:14½, trailed along third until (D. Austin), 15 to 1, second; Enigma, 103 | the stretch, where he took the lead and won by a comfortable margin in 2:1214. This made Theron Powers favorite and gelding took the fourth heat from Darky and Joe Rhea, the others having gone to the barn. The result of this heat was never in doubt. "ALL BETS OFF."

> ished, and the knoll back of the judges' stand was crowded when the judges announced that bets were off and that Proctor had been fined and suspended and Nuckols fined. The latter, he said, was not trying with Theron Powers in the first two heats. The announcement was received with cheers. This is the first fine of the James Butler's East View farm had two winners to-day in Monroe, in the 2:26 trot, and Trilby Direct in the Chamber of Commerce Consolation stake. Tom Keene opened favorite for the Consolation, but broke badin the first heat, as did Page the latter being distanced and heat going to the Direct

mare. Trilby Direct was in front all the way in the second heat. Kingmore challenged the mare in the stretch, but failed by a head. Ellenwood was favorite for the 2:26 trot and won the first heat, but Monroe had the speed in the second and won after a splendid drive down the stretch. Ellenwood broke in the third heat and Monroe was never in danger. In the 2:08 pacing event Carthage Girl and Nonamie paced the first dead heat seen

Indianapolis and Racine managers are doing, although it is understood that Harry Way will be back at the capital city. Hipson, the captain of last year's team there, will go to Terre Haute, in the new Central League. Racine has signed Cashman, the Clinton goal tend, who finished the season there,

for another year, and if reports from there are authentic will have most of the old Clinton team in her line again this time The Western League managers express no fear at all regarding the establishment of the proposed National League, including Ohlo cities, on the ground that the season is now so well along that the clubs there could hardly get into rinks and in playing order before the holidays. The Central league, including Indiana and Illinois cities, will make a vigorous bid for good players. . Work has been started on some of the rinks and the men behind it are evincing a desire to push things, excepting at Marion, the best city in the Cries of "All bets off" went up from the eague, which seems to have been practicrowd immediately after the race was fincally abandoned by it, as well as the men who were granted a franchise there by the Western League.
